PLEASE NOTE

- To help avoid year groups mixing only the children who enter and leave via the bike shed gate can bring bikes/scooters onto the school ground. We will of course keep reviewing this.
- Parents are still not allowed on the school site but this will also be under review.
- Y3 parents, please walk down the nursery path to drop and pick up your child. Please wait on the path rather than on the car park. The door your children will enter through is in-between the school kitchen and the nursery (to the right of the main entrance as you look at the school)
- There will no longer be any home-learning available via Seesaw.
